## President's Column

*FPCA Starting Out  
Strong in 2025!*

I'm very excited to report that we have made great progress over the past year getting the community-building and administrative functions up-to-date. We're reestablishing relationships with County Supervisor's Office, Fire Station 418, and the McLean Station of the Fairfax County Police Department. Look for their active participa-

tion in our future meetings and gatherings!

Now that we've updated the bank account, Bylaws, and communications functions, our two priorities for 2025 are to complete the 501c3 update with the IRS and begin working on some of the infrastructure issues in the community.

First on the docket for the infrastructure improvements will be our effort to work with Supervisor Palchik's office and neighbors on Upper Lawrence to

complete a parking review and (hopefully) remediation to ease the parking overflow that's coming from non-Fenwick Park residents. We're starting to keep a list of other concerns, including standing water and drainage issues across the neighborhood!

I'm looking forward to working with all of you to build a better community that is welcoming for all residents and visitors!

*Let's keep moving on a successful 2025!*

-Tom Leary

## 2024 Annual Block Party Recap

Last year's neighborhood picnic was a resounding success, thanks to several key factors that contributed to a memorable day for all who attended.

First, the location, timing, and weather played a huge role. Despite the expected summer heat, moderate temperatures that day made the event enjoyable, especially in the shaded upper portion of Stuart Drive!

The food was a big highlight, with multiple grills made available for folks to grill meat and veggies. We want to thank everyone for

bringing a dish to share and allowing for an abundance of delicious dishes and desserts! For a small donation, folks got to enjoy a cold beer from the keg provided. A very special thank you for the generous donation of 20 pizzas from The Italian Store, a regular and loved sponsor of our FPCA organized events.

The kids' playground area, generously assembled by the Moonis family and stocked with equipment from the Hoffmans, was a hit. The train, soccer goals, and toddler chairs ensured the little ones were entertained all day.

For the older children, sheer delight was expressed as several donned professionally painted faces by artist, Chloe! The festive atmosphere was also in thanks to Richard Fields, who provided the music. The membership table, managed by Jill Snyder, kept everyone informed about the opportunity to become an active member of the FPCA.

Overall, the event was a wonderful success and a great community builder! We look forward to returning to Stuart Dr. this coming summer for yet another round of summer fun!

## Fenwick Park Fall Fete

A fun-filled celebration of autumn sponsored by Urban Cottage Design was held on Adam's Lane this past October 2024. This family-friendly event featured an amazing apple cider press. The children enjoyed participating in taking nearly 5 bushels of orchard picked apples and making and sampling fresh cider. The adults joined in savoring a Fenwick Park Signature Cocktail that was definitely a fan favorite! An abundance of delicious food, that was perfect for the season, was catered by the renowned Italian Store.

Special thanks goes out to our sponsor Urban Cottage Design, Kim Gotcher of The Italian Store, the Wanchick family for their creative ideas, the Hoffman's for providing the cider press, and all our volunteers that made the event such a great success.

We are committed to this being an annual event so we look forward to next year and welcoming more families and friends of Fenwick Park for an afternoon of fall festivities, great food, and community fun!

## Fenwick Park and Tyler Park Civic Associations Team Up for a Community Yard Sale!

We are proud to announce that the Fenwick Park Civic Association is partnering with the Tyler Park Civic Association for a joint **Community Yard Sale!** Whether you're looking to sell gently used items, collectibles, or even hand-made goods, this community yard sale is a perfect chance to make a little extra cash and meet your neighbors.

**When:** Saturday, March 29 (Rain or Shine) 8 am to 2 pm

**Where:** Throughout Fenwick Park and Tyler Park neighborhoods

We're encouraging all residents in both neighborhoods to participate, whether you're in Fenwick Park or Tyler Park. The yard sale will be spread across both areas, and you'll find a variety of items up for grabs at each participating home. This is a great opportunity for all residents to declutter, find hidden treasures, and enjoy the spirit of community.

### How It Works:

Each yard sale will be independently managed by individual homeowners. To help attract shoppers and guide them through our neighborhoods, the Civic Associations will provide directional road signs on the day of the event. Additionally, we will share the event on social media to ensure maximum visibility for everyone involved. So start sorting through your belongings to find treasures that others may love. Set up your sale at your own home on **March 29** and be part of this exciting community event!

### Why Participate?

This **Community Yard Sale** not only helps you clear out your space, but it also gives you the chance to meet your neighbors and make some extra cash. Plus, it's a fantastic way to support sustainable living by giving items a second life!

The Fenwick Park and Tyler Park Civic Associations are excited to bring our communities together for this fun, collaborative event. It's a wonderful way to enjoy the warmer months, discover unique finds, and celebrate the spirit of our neighborhoods.

***We can't wait to see you there and support your yard sale adventure!***

### In Memoriam...

With heavy hearts, we dedicate this edition of The Fenwick Park Flyer to Kenny Nguyen and family at 2829 Lawrence Drive. On January 3, 2025 they lost their home and a family member due to a house fire.

This edition is a tribute to their spirit, and we hope it serves as a reminder of the values and joy our neighborhood can bring to all those who make Fenwick Park their home.
